## **PS2600HD** POWERED by **HONDA™**

**POWERFUL GC190 6HP HONDA OHV ENGINE**

**3200 PSI 9L/min Cleaning Power!**

The PS2600HD is built tough for the serious home user, motor sports team, lifestyle property owners and many more applications! The compact and lightweight design means it is easy to store and transport. This is achieved by using aircraft grade aluminium to construct a super tough yet lightweight frame.

The powerful GC190 6HP Honda Engine and the AAA brass head axial pump combine to produce serious cleaning performance and long term reliability. With 3200PSI and 9L/min at your disposal, and premium high-grade componentry and accessories used throughout, the PS2600HD is the ultimate solution to your light to medium duty cleaning requirements.

- HONDA™ GC190 OHV Series engine
- AAA Cougar® Series triplex pump
- Heavy gauge professional chassis
- 10" Pneumatic tyres
- 5/16 x 10m morflex high pressure hose
- Pro-style spray gun & wand with QC nozzles
- Dial-n-Wash handgun to adjust pressure from 1000 - 3200psi on the go
- Downstream detergent injection system  
For convenient use of detergents.

## **What is Dial-N-Wash?**

Exclusive to Powershot, Dial-N-Wash is a compact pressure regulator you can use on the go. Almost hidden in the lance, this awesome feature is designed to adjust the water flow and pressure in seconds. Giving you control and saving you costly damage in delicate operations.

## Petrol Driven Professional Industrial Machines

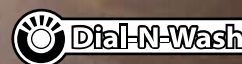

# **PS3000HD** POWERED by **HONDA**<sup>™</sup> **INDUSTRIAL GX200 6.5HP HONDA OHV ENGINE** **3000 PSI 11 L/min Cleaning Power!**

The PS3000HD takes you to the next level, with the Honda GX200 Premier Series Commercial Grade Engine. The Honda Premier GX200 is especially optimised to provide the maximum performance levels for the unique power demands of industrial pressure washing. Couple the best industrial engine with the ultimate in high pressure cleaning pumps, the brass head CAT unit, and the PS3000HD is the perfect match for your serious cleaning requirements. The tough aircraft grade aluminium frame provides a super durable yet lightweight solution. Includes large 10" pneumatic wheels for ease of passage over any site.

The accessories are also specified to the highest standards, with the super tough 15m 'Monster Hose' and the 'Dial n Wash' pressure adjustable hand-gun giving superb reach and precision performance across all varieties of cleaning tasks.

Detergent application is very simple with the PS3000HD, simply clip in the quick release nozzle, insert the built in detergent pickup into your Powershot detergent and you are set to go.

- Premier series Honda GX200 OHV industrial engine with 3 year commercial warranty
- Industrial cat pump with brass pump head
- Heavy gauge aircraft grade aluminium frame with 10" pneumatic wheels for super portability
- Dial-n-Wash handgun to adjust pressure from 1000 - 3000psi on the go
- 15m x 3/8" super duty abrasion resistant steel braided 'monster hose'
- 5 x Quick Connect nozzles including detergent nozzle
- Convenient on board accessory storage.

## **NEW Super Duty 'Monster Hose'**

The Powershot PS3000HD and PS4200HD machines are equipped standard with the market leading heavy duty Monster Hose. This premium hose features revolutionary dual braid technology, which is constructed from steel braided over polyester and protected by a super durable polyurethane outer jacket. This means that as well as being kink-free and non-marking, it is almost bullet proof and designed to outlast other hoses by up to 5 times! As with all the accessories on the Powershot Range we have only chosen the best, and the Monster Hose is no exception!
