

## KRANZLE® CA11-130-QC

 1885 psi

 11L/min

 240V, 15A

Precision built, compact hot water high pressure cleaner incorporating technical innovations to ensure the highest levels of safety and minimised cost of operation. The perfect tool for destroying grease and dirt in truck workshops, farm environments and other heavy use applications.

### Operating panel arranged for a good overview

(adjustable rotary thermostat for controlling the water temperature)

### Optional 20mtr HP Hose + HP Hose Reel

### 10 Year Warranty on Brass Pump Head

### Cleaning agent Intake - High pressure detergent

(Injector system for dispensing of cleaning agents)

### Total stop system with safety cut out

### 4 large rubber tyred wheels

(for easy maneuverability)

 Made in  Germany 

**Park Brake** (for secure stationary position)

### Technical Data

Operating pressure adjustable 1885 psi	Power supply cable	5m	
Max. admissible overpressure 2100 psi	(LxWxH)	790 x 590 x 980 mm	
Connected Load	240V	Weight	150Kg
Motor speed	1400 rpm	HP Hose	15m
Water Output	11Ltr/Min	Trigger Gun	
kW Power output	2.3	S/S Lance with fan-jet Nozzle 045	
Water tank volume	3Ltr	DN12 Quick release connector system	
Hot water output adjustable	12-80°C	4 way safety system	
Steam Level	140°C	Overload protection	
Heating Output	55kW	5 Year Commercial Warranty	
Fuel tank	25Ltr	10 Years warranty on brass pump head
